Greetings all. I was just stopped on the street by one of StarLine's vendors to give me the details of the latest outrageous action by the cd vendors that happened this morning to a tourist from Turkey. The Starline guy witnessed about 10 cd vendors surrounding the tourist and holding his arms while they removed money from his wallet. The Starline employee talked to the shaken tourist afterward who said they took about \$150 from his wallet. The cd vendors are getting more and more brazen.
